

Oklahoma Rangers FC Scholarship Application

May 2023

The Oklahoma Rangers FC Scholarship Program provides families the opportunity to receive financial aid from the club during times of financial strain. The program provides financial aid to help with part of the expenses associated with playing soccer at our club. Financial aid may be awarded to help offset the club dues. This Program is offered to cover portions of your registration fee and monthly training fees, but the cost of your travel fees, tournament fees and uniforms are not included in the program without special approval. Oklahoma Rangers FC wants to help as many families as possible, but we are on a strict scholarship budget. Any player seeking assistance must meet the circumstantial guidelines to be considered for this assistance program. Aid is awarded based on circumstance and funds available, but we do work on a first-come first-serve basis as well. It is important to get your application in as soon as possible. Unfortunately, we cannot guarantee that everyone who applies will receive funding.

Requirements: We prefer Household income to be below the U.S. Reduced-Price Meal guidelines (see additional page for those guidelines). If you do not fall into this category, we will still consider your application.

To Apply:

1. Complete the attached Oklahoma Rangers FC Scholarship Application Form. 2. Please postal mail the completed application form with a copy of the front page of your last filed tax return to the address provided. Copies of the Tax return page must be attached to the application to be considered. We do ask that you black out the Social Security number(s) on that page before you send it to us. That part of the application will be destroyed after the decision is made on your application. 3. Postal Mail everything to us at this address:

Oklahoma Rangers FC Scholarship Committee
PO Box 850231
Yukon, OK 73085

Everything you provide is confidential. Only the scholarship committee will review the documents and they are under strict confidentiality agreements. **Deadline for all applications is June 17, 2023.** All submissions must be mailed and postmarked by that date. We encourage each applicant to include a personal letter that the committee can review. This letter can include any special circumstances or issues you wish to be considered. Whether it is a change in employment, income since you last filed taxes, health issues, family situation, etc. we will consider anything you wish to include for the committee to review.
